

PRODUCT INFO

DOMETIC OCEANAIR SKYSHADE HATCHSHADE

If you're looking for a quick and simple shade to keep the light out at night, then the Skyshade Hatchshade is ideal. Fully retracting into the cassette, Hatchshade is perfect for fixed hatches, where a flyscreen is not required.

ROLLER BLIND WITH A SHAPED CASSETTE

Dometic Oceanair Skyshade Hatchshade uses the same high performance fabric as our full Skyscreen range, ensuring the best possible blackout covering, with additional water repellent properties and UV resistance. The standard mini grip handle has been designed for simple and effortless operation, fitting smoothly into a colour matched clasp that is fitted with just one screw. Powder coated aluminium hardware ensures durability. Also suitable for vertical operation.

BENEFITS WITH SKYSHADE HATCHSHADE

- Shaped cassette for added style
- Durable powder coated aluminium hardware
- Side pegs enable half-way opening
- Available in white, silver or beige
- Range of hold downs available
- Also suitable for vertical operation
- Simple and fast installation with just two screws.
