

RARITAN

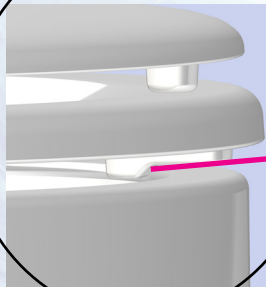

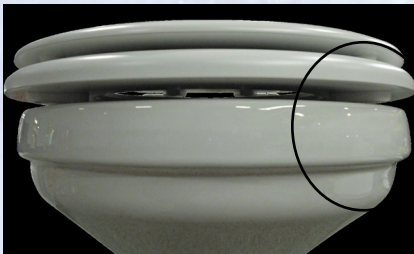

The Most Dependable Name on the Water

SLOW CLOSE SEAT AND LID DESIGNED FOR MARINE USE

FEATURES AND BENEFITS FOR RARITAN'S SLOW CLOSE SEAT:

- Seat and lid slowly close to prevent hard slamming
- Special stopper lock seat in place and prevents seat from sliding that can result in broken hinges
- Seat and lid are made with durable high density fiberboard (HDF)
- Constructed with stainless steel fasteners to prevent corrosion
- Fits all Raritan manual and electric toilets with marine and household style bowls
- Fits most other brand marine and household style bowls

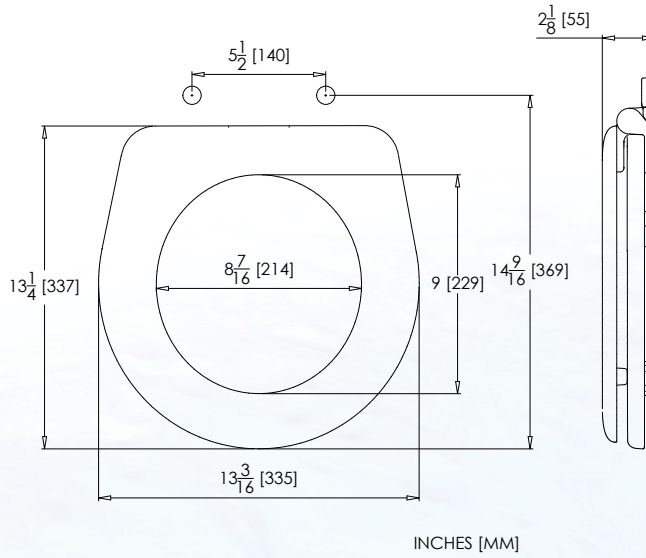

SPECIAL STOPPER PREVENTS SEAT FROM SLIDING SIDEWAYS

Raritan products are chosen by powerboat, sailboat, houseboat, and RV owners and manufacturers the world over for their dependability, environmental responsibility, simplicity of installation, operation, and maintenance. The product line includes house-hold style toilets, marine toilets, marine sanitation devices and systems, cleaning products, icemakers, water heaters, and rudder angle indicators.
