- Triple Weatherproof Seals (stays nice & dry)

EASY TO USE

- No L-Shaped Pin - Easy to Use at Night
- Plugs Straight In - No Twisting Required
- Blue LED Power Indicator

QUALITY

- 7 Year Warranty - Only Shore Power Product That Offers Extended Warranty
- SmartPlug Offers No-Hassle Product Warranty Program

50 AMP CONNECTOR & INLET DETAILS
125V/250V

LED POWER INDICATOR
Two blue LEDs illuminate to illustrate an active power source

LOCKING FEATURE
Side locking levers snap into sides of inlet housing.

CONNECTOR BODY SHAPE
Sleeve design fits snugly within inlet, removing all tension from pins & clips.

LOCKING FEATURE
Inlet cover snaps onto back of connector

WEATHERPROOF
Face gasket seals

EASY INSTALLATION
Industry standard hole pattern fits your existing inlet hole pattern
ELECTRICAL PINS
Straight pins with 20X surface area. No twisting required!

WEATHERPROOF
Face gasket seals against inlet sleeve to eliminate dirt & moisture exposure on electrical pins.

EASE OF USE
Unique plug body shape that only goes in the right way! Easy to orient with no chance of misalignment - even in the dark! Plug pushes straight in & locks automatically.
