

SHADEFIN MINI SIDE WALL MOUNT INSTALLATION INSTRUCTIONS

T10-4000-12

Thank you for purchasing the ShadeFin® Mini Side Wall Mount by TACO Marine®. Since 1959, we have taken great pride in offering the highest-quality products with excellent customer service. We stand behind our products 100 percent. Please visit our website tacomarine.com for more detailed information on a wide variety of products and to register your new product for warranty.

Box Includes

- 1 SIDE WALL MOUNT
- 4 #10 1" STAINLESS STEEL SCREWS
- OPTIONAL BACKING PLATE

Required, but not included

- PENCIL
- 1/8" DRILL BIT
- HANDHELD DRILL
- PHILLIP'S HEAD SCREWDRIVER
- 4 LONGER #10 SCREWS OR BOLTS AND NUTS USING BACKING PLATE. (SEE NOTE IN STEP 2.)

Common uses for this mount

- CONSOLES AND SIDE WALLS ON BOATS
- DECK RAILINGS
- WALLS

Dimensions

- SCREW PLATE: 4.2" W X 2.6" H
- LENGTH: 4.32"
- OVERALL HEIGHT: 5.11"

1 MARK AND DRILL HOLES

Using the mounting bracket as a template, pencil the hole locations onto the mounting substrate. With a 1/8" diameter bit, drill 4 though holes in the marked positions.

2 INSTALL BRACKET

With a Phillip's screwdriver, install the bracket, using the 4 supplied #10 screws. Be sure all screws are securely tightened.

Note: This mount comes with an optional backing plate for added strength and security. Use the backing plate if you're drilling through and have full access to the backside of the the mounting surface. **To use the backing plate, longer screws or bolts and nuts will be needed. The screw length depends on the thickness of your application with the backing plate.**

3 INSTALL SHADEFIN MINI

Now place the ShadeFin Mini assembly onto the vertical post of the bracket, and lock in place. Refer to the ShadeFin Mini manual on tacomarine.com for detailed instructions.
