

NEW! Discover our new Zodiac Aluminum tenders: the NOMAD!

Equipped with an aluminum double-floor hull, they offer an exceptional sailing experience on this type of format! Their light weight makes them easier to handle and reduces the strain on your yacht's davits. Equipped with a series of watertight stowage compartments to guarantee the safety of your equipment on board, and the option of an electric motor in the most difficult conditions. Now you can choose between our PVC tubes designed in Mehler fabric or our UV-resistant NEO tubes by Orca, all in vibrant new colors!
